Prayers

“So I turned to the Lord God and pleaded with him in prayer and petition, in fasting, and in sackcloth and ashes.”
Daniel 9:3

Daniel has had visions that have left him deeply disturbed, and as he processed all of it and what it really meant for him and the people of Isreal he turned to God. Is turning to God our go to, our first thought when we are dealing with things, or do we try to figure it out on our own first and go to him as a last resort? Do you think it would be better if we followed Daniel’s example and turned to God first? He already knows what we have done, what we are dealing with anyway, so, why wait? Let’s start with turning to Him, pouring our heart to Him and then let Him work through the details for us! Let’s be honest, there is nothing better we can do anyway, but turn to the Lord and trust Him with everything!

Downtown Moncton is growing! This provides First Baptist with an opportunity to be involved in new ministries to our downtown core. There are a number of new apartment buildings that have gone up in recent years, and we have been praying about how we can best reach those who live in these buildings. If you, or someone you know lives within a two mile radius of the church, we would love for you to let us know. Having a connection with a current resident in this area can be very helpful as we seek to minister to this community!
